Delivery of questionnaires, collect the filled forms and prepare the report

1. To facilitate the filling of questionnaires from students and teachers we prepared the google form of the questionnaires.

Sent to them the link via email and waited to their responses.

The google form provide on time the statistic based analyses of the responses.

2. Other groups were sent the form in the at

Co-funded by the
Erasmus+ Programme
of the European Union

3. We filled the excel format and both with original questionnaires send to Ivana.

4. In collaboration with AUT we have prepared the Report regarding the results on questionnaire from albanien universitie.

The report will be present next session!!
