<p>Suggestions for the improvement:´</p>	<ul style="list-style-type: none"> • Generally, I am satisfied with the event organization but I think time schedule of Agenda could have been managed better. • The meeting was absolutely acceptable. There were no so importance mistakes and lacks. Only contributors did not take into account time limitation for presentation. • More tables for laptops. • We need more tables. • Better adherence on time schedule. • More space for discussion activities. • Everything was as I expected, very convenient for me. • Presentations should be limited, the authors should be warned to be strictly in adopted time. • May be the schedule was too heavy and more social evenings could have been organized. • Stick to the Agenda/shorter presentations. • Cooperation. • Keeping on time schedule.
